

SCHOOL BREAKFAST PROGRAM

Austintown Schools Food Service Department

We want to remind our families that breakfast is offered at each of our schools every morning. Breakfast is an important part of the day, and we understand that there is a lot involved in getting your students ready for school. Our breakfast program is here to help make for a good start to everyone's day.

Each school offers the opportunity for students to come into the cafeteria, select the food items they desire, and enjoy a wholesome breakfast meal. The following breakfast times and prices are observed in our schools:

<u>School</u>	<u>Breakfast Time</u>	<u>Price</u>
Austintown Elementary School	8:30 – 8:50 AM	\$2.00
Austintown Intermediate School	7:45 – 8:05 AM	\$2.00
Austintown Middle School	7:15 – 7:30 AM	\$2.00
Austintown Fitch High School	7:10 – 7:25 AM	\$2.00

Free and reduced-price meal benefit applications are accepted throughout the year. To apply, visit LINQConnect.com or our website at **AFFOODSERVICES.COM**.

Feel free to reach out to the Food Service Department if you have any questions.
