

June 1, 2023

Dear Parents and Guardians,

We are excited to inform you that the Bibb County School Nutrition Department will again offer free meals this summer through the Seamless Summer Option (SSO). The program allows School Food Authorities (SFAs) to provide meals to students during traditional summer. “Meals are available to children under 18 and to students over 18 with a state-defined mental or physical disability as defined by a State or local educational agency.” Students can receive one breakfast and one lunch each day at no charge.

Children can receive FREE summer meals in three ways:

1. **BCSD Summer School Site Cafeterias**
2. **Area-Eligible Community Sites**
3. **Designated Mobile Stops** - at a select group of area-eligible locations

Below is a list of all SSO meal service locations, with dates and times.

We encourage you to ensure your children take advantage of this opportunity to continue receiving nutritious meals while the traditional school year is out. Meals served will follow the USDA guidelines for healthy school meals. Please help us have a successful program by spreading the word throughout the community.

Enrolled Bibb County School students are reminded to bring their badges to the cafeteria or bus service locations. Children without badges will need to provide basic information to identify themselves. Children do not have to be students at The Bibb County School District to participate.

Important Changes from Last Summer

- **ALL** meals must be served in a congregate setting and must be consumed by students on-site. Therefore, children must now eat their meals in the cafeteria, on or at the bus, in the community center, church, library, or other locations where they are served.
- No meals may be picked up by the parent or guardian (child must be present).

Menus may be found on the School Nutrition webpage at <https://eatrightbibb.com/index.php?sid=0209141729107728&page=menus>.

If you have questions or need additional information, please contact the School Nutrition Department at 478-779-2612.
