

Need a little help feeding your kids when school is out for summer?

Learn how the new SUN Bucks program can help you!

SUN Bucks is a new program to help families buy food for their school-aged children during the summer. Families will get \$120 for each eligible child to buy groceries during the summer. Children who get **SUN Bucks** can still participate in other summer meal programs. Receiving **SUN Bucks** will not affect children or families' immigration status.

How does SUN Bucks work?

In **California**, **SUN Bucks** will be loaded onto an EBT card and mailed to your home. If eligible, you can use **SUN Bucks** benefits to buy food like fruits, vegetables, meat, whole grains, and dairy at grocery stores, farmers markets, and other places that accept **CalFresh**, **CalWORKS** or **Medi-Cal** EBT benefits. **SUN Bucks** is a convenient way for you to help your children thrive.

Is my child eligible for SUN Bucks?

Your child is eligible for **SUN Bucks** if:

- Your household already participates in **CalFresh**, **CalWORKS**, or **Medi-Cal** *OR*
- Your child attends a school that offers the National School Lunch or School Breakfast Program, *and* your household income meets the requirements for free or reduced-price school meals.

How do I enroll my child in SUN Bucks?

Many families will get **SUN Bucks** automatically if they are getting other benefits, but some families may need to apply for the program.

If your household already participates in **CalFresh**, **CalWORKS**, or **Medi-Cal**, your child will be automatically enrolled in the **SUN Bucks** program. You do not need to fill out an application. You will get a card in the mail. Watch for the card in the mail.

If you are not automatically enrolled and believe your children are eligible, you can get **SUN Bucks** by filling out a free & reduced meal application from the BUSD Food Services Department. Call 818-729-4539 to request a paper application or apply online at www.SchoolCafe.com.
