

2022-2023 Parties Made Easy!

The Exeter Food Service Department would like to assist you in planning for your child’s birthday or for a class celebration. No need to worry about allergies or a special diet let the Food Service Department handle the details. All items listed meet the Smart Snack and Wellness Guidelines, and all nutritional information is kept on site for verification of allergens. The Food Service Department will assist with substitution of a food item for a student that has a particular allergy.
