Dear Parent or Guardian:

We are pleased to inform you that all students of the Pascagoula-Gautier School District will receive FREE breakfast & lunch each day of the 2023-2024 school year under the USDA's Community Eligibility Provision, meaning no meal applications are required.

We hope each of you will send your child to school ready to eat free school breakfast and lunch meals with us. We also want to remind you of our *Lunch Box Helpers Program*, where all students who bring a lunch from home may pick up a free serving of fruit, vegetable and milk from the cafeteria line. It is our mission to nourish and educate the hearts, bodies and minds of all of our students so they are fit, focused and ready to learn in the classroom.

You can locate our menus, extra food sale prices and special updates regarding your child nutrition program at our website www.pgsdnutrition.com and our Facebook page at www.facebook.com/PGSDnutrition.

Customer meal accounts are found at www.mypaymentsplus.com where funds may be added electronically for extra food sales or adult meals. You also can use prepay deposit envelopes (located at schools) to send cash or check with your student for account payments. Prepayment to accounts are highly encouraged so no change or money has to be exchanged during meal time.

We look forward to serving you during the 2023-2034 school year. Safe service is our first priority and we are adhering to all local, state and federal regulations in the cafeteria. If you need assistance with any matter regarding child nutrition, please call 228-938-6525. This institution is an equal opportunity provider.

Sincerely,

Sarah S. Busby, MS, RD
Child Nutrition Director
Pascagoula-Gautier School District
