New This Year!

All high school locations have installed vending machines that offer students access to breakfast, lunch, and snacks this year. The machines have clear instructions posted on them for easy use, and students must enter their student ID number and 6-digit birthdate to make a selection.

It is important to note that all students at school are able to receive one breakfast and one lunch each day for free. However, if a student wishes to purchase a 2nd breakfast or lunch, they may do so at the following prices: Breakfast: \$2.50, Lunch: \$3.75.

In addition, snacks and bottled water are also available for \$1.00. To add funds to their student account, you can visit linqconnect.com.
