2023-2024 School Year

Dear Parent/Guardian,

The District recognizes the importance of assisting our families in need through various programs, including free and reduced-priced meals. As we enter the 2023-2024 school year, I want to provide some updated information.

New applications for this assistance are required for each school year. The 2022-2023 term for free and reduced meals ended on June 30, 2023.

Please complete and return the application on the back of this letter by Friday, August 25, 2023 in order for meal benefits to become effective for the start of school on Wednesday, September 6, 2023. Completed applications should be sent to Victor Schools Food Service Dept. 953 High Street Victor, NY 14564. You may also email the application to andolm@victorschools.org. You will be notified directly via postal mail service if your application is approved or denied.

Along with the completed application. please submit the following:

- Original copy of a direct certification letter or a copy of SNAP letter (not a benefits card).
- OR**
- Income verification (2 consecutive pay stubs) for **ALL** reported income.

Without these materials, the Food Services Department will not be able to review applications for free and/or reduced meal benefits.

While August 25, 2023 is the deadline for access on the first day of school, the Food Services Department will continue to accept applications throughout the school year as we understand that circumstances change. Any charges incurred prior to approval are the parents/guardians responsibility.

Please feel free to contact me with any questions or concerns at 924-3252 ext. 6470 or 6471. We look forward to serving your children healthy and nutritious lunches again this school year.

Sincerely,
Alexandra TePoel-DeWitt
