****Important P-EBT Information****

We have received numerous phone calls regarding P-EBT Benefits and while we don't issue these cards, we do hope the information below will help you and your family.

P-EBT Benefits are not issued by the school. They are issued by OTDA of NY.

Your school district and Food Service department cannot provide any support. The OTDA may refer you to the school, however there is no action we can take. If the OTDA refers you to the school, please ask them for written instructions on what action the school is expected to take and provide those written instructions to the school from OTDA.

If you are having issues the help line and website do not solve, we would suggest emailing them at:
