## SLIC Food Show

On January 16th a few of us attended the SLIC Food Show in Pleasanton. We attended a short meeting in the morning and then walked the many rows of vendors and tasted some new products.

We came home with a lot of samples which we shared with our sites. It's always exciting to see what's new and see people from the industry. Attending the show is a great learning opportunity for our staff. They gain a better understanding of how the co-op is run and all the products available.

## Dates to Remember
